

2021-22 Broomstones ADULT Member COVID-19 Attestation Form

As a member of Broomstones Curling Club, I will follow the following club policies during the 2021-22 season:

- If I am a *vaccine-eligible* Broomstones member, I must be *fully vaccinated* to enter the building. I am fully vaccinated if I have received 2 doses of either the Moderna or Pfizer COVID-19 vaccines or a single dose of the Janssen (Johnson & Johnson) vaccine more than 14 days ago. I will provide proof of vaccination as part of the registration process for all curling activities (e.g., leagues, events, rentals).
- If I am a member who is age-eligible to be vaccinated, but not medically eligible to receive the COVID-19 vaccine, I will submit a written request for a medical exemption with a signed note from a qualified healthcare provider to medical@broomstones.com. I will not participate in any club activities nor enter the building until my exemption is approved by a qualified medical@broomstones.com reviewer. After I am approved, I will *wear a mask at all times* while in the club and/or curling.
 - If I wish to be *medically exempted* from the vaccination requirement, I will submit a request for exemption and a note from a qualified healthcare provider in writing to medical@broomstones.com for review and approval prior to participation in any club activities, including events.
 - If I am an *unvaccinated* member, I will not enter the building until my exemption is approved by the Broomstones medical expert. After I am approved to enter, I will *wear a mask at all times* while in the club and/or curling.
- Any guest(s) I invite to the club must be either fully vaccinated or vaccine-ineligible due to age (e.g., I can bring my child who is too young to be vaccinated).
 - All non-members, including guests of members, *must*:
 - provide proof of vaccination status; AND
 - upon arrival at the club: sign the non-member attestation form and provide contact info (for contact informing).
 - If I bring guests to the club, I am responsible for ensuring that they follow the procedure above and all other club rules.
 - If my guest(s) inform(s) me that they became sick while at Broomstones and/or received a positive test result within 48 hours of having been at the club, I will *immediately* inform the applicable Event or League Coordinator or medical@broomstones.com.
- If I bring a guest to the club who is *not* vaccine eligible due to age (e.g., my child), I will be responsible for their always wearing a mask. Children under 2 years of age are not required to wear a mask.
- I agree to treat all members and guests at Broomstones with respect regardless of whether they are wearing a mask or taking other health precautions. I will not make negative comments to or about members or guests taking such precautions.
- I agree NOT to enter the club if:
 - I am sick, especially if I have symptoms of COVID-19, such as:
